Hosted on BrusselsJobs – what does that mean?

Not all recruiters want (or are able) to post the job description on their own website – this means that we cannot link to it. Therefore, we offer custom web pages specifically for your job vacancy, with your organisation’s logo prominently displayed.

Here’s an example of how your job description will appear:

The screenshot shows a job listing on the BrusselsJobs.com website. At the top, there's a navigation bar with the BrusselsJobs.com logo and several icons. Below that, there are tabs for 'Job Search', 'Upload CV', 'Education', and 'Recruiters'. The main content area features the ePURE logo and the job title 'Office Manager'. The description includes details about the role, such as reporting to the Secretary General and managing administrative and organizational activities. A list of primary responsibilities is provided, including managing facilities, supporting the SG and staff, and managing correspondence. The sidebar on the right contains various sections like 'Top Jobs', 'Free Newsletter', 'Education & Courses', and 'Testimonials'.

Basic Job Ads

Qualifying positions can be listed as a *Basic Job ad*. This advert is limited in its exposure on our front page and links back to a vacancy listed on your organisation's website. If you would like more exposure for your job, you should select a Standard or High Visibility advert.

Conditions:

- The full job description must be available at a specific web page **on your site**
- The job must be located in **Belgium or Luxembourg**
- The job must be for **international experts**
- Free listing is **not available to recruitment agencies**

If your job does not qualify as a basic ad, it can still be posted on BrusselsJobs.com as a Standard Job Ad.

Testimonials from Satisfied Recruiters:

"We have received **many applications** for our position and found it a **very effective way to recruit**. We had **immediate and numerous responses** to our ad. Many thanks for your great service."

- *Emmanuelle Bomo, Harwood Levitt Consulting*

"We've been **very pleased with your services**. Our vacancies are filled now, but we will surely get back in touch when we have other openings."

- *Pia Wurzer, Project Coordinator, International Disability and Development Consortium (IDDC)*
