Testimonials

"We received many applications for our position which we advertised on the BrusselsJobs website and we found it a very effective way to recruit. We had immediate and numerous responses to our ad, so we asked you to remove our ad earlier as we received enough applications. Many thanks for your great service."
Recruiter, Harwood Levitt Consulting

"We were urgently recruiting for a 'multilingual Front Office Assistant' in Brussels and decided to put up the vacancy on BrusselsJobs.com. Four days after, we noticed that BrusselsJobs works so well that we had been submerged by CVs, and a list of final candidates had already been made."
